Dear Friends and Collectors,

I have been painting all winter for my annual **Spring Open Studio, May 3rd & 4th**. For those of you who have been waiting patiently for landscape paintings, this is the show for you!! I've created a new series called *GARDEN LANDSCAPES* that I am very excited about. I am finishing up more paintings as we speak so please check my website later or, better yet, come to the show!

In addition, tune into [WMBC-TV](#) on Saturday, **April 5th** at 6 p.m to see me on TV! I was interviewed for a 10 minute segment called *Hometown*. WMBC-TV reaches over 5 million households in the tri-state area. Please check your local cable guide for the correct listing of WMBC-TV.

If you haven't had a chance to visit my blog, check it out by [clicking here](#). It describes more about my thoughts and life as a fine artist.

As always, you can contact us to schedule a studio appointment or to see paintings via email for those of you who are not in our area.

Best wishes for a happy spring,

***Lisa Palombo***

### **Studio Art Classes**

~~~~~  
I am thrilled to announce that I will be teaching another adult **painting class** this summer in **June**. We will be painting in oil at various beautiful gardens throughout Northern NJ as well as my studio. The class size will be small, so openings will be limited. Students should already have a basic knowledge of painting (Advanced Beginner to Intermediate).

If this sounds like a painting adventure you would like to experience, contact us ASAP to reserve your space. Click here for [more information and class form](#).
